ODESA
 POLYTECHNIC
 NATIONAL
 UNIVERSITY

UKRAINE ON THE MAP OF EUROPE

The total area of Ukraine is 5.7% of the territory of Europe. It is the largest country in terms of area, which lies entirely in Europe.

In terms of population (more than 46 million people), Ukraine ranks 5th in Europe

Odesa is long been a trade, tourist, industrial, and educational center of Ukraine. This is a beautiful European resort town that still preserves its unique culture.

Odesa is known for its warm sea, humor and a rather specific accent. Odesa cuisine is a symbiosis of several cuisines: Jewish, Ukrainian, Bulgarian, Moldavian and Greek.

ODESA REGION ON THE MAP OF UKRAINE

POLYTECHNIC UNIVERSITY ON THE MAP OF ODESA

Odesa Polytechnics is one of the leading universities in the Odesa region, actively contributing to the advancement of technical sciences and qualified professionals training in various engineering and technology fields. The university does steadily hold top positions among higher education institutions in southern Ukraine, according to the recognized national rankings.
