# WELCOME TO THE WUST LIBRARIES

All WUST students are welcome to our campus libraries. Here you can find a wide selection of books, as well as digital resources such e-books, e-journals, databases, and other online materials.
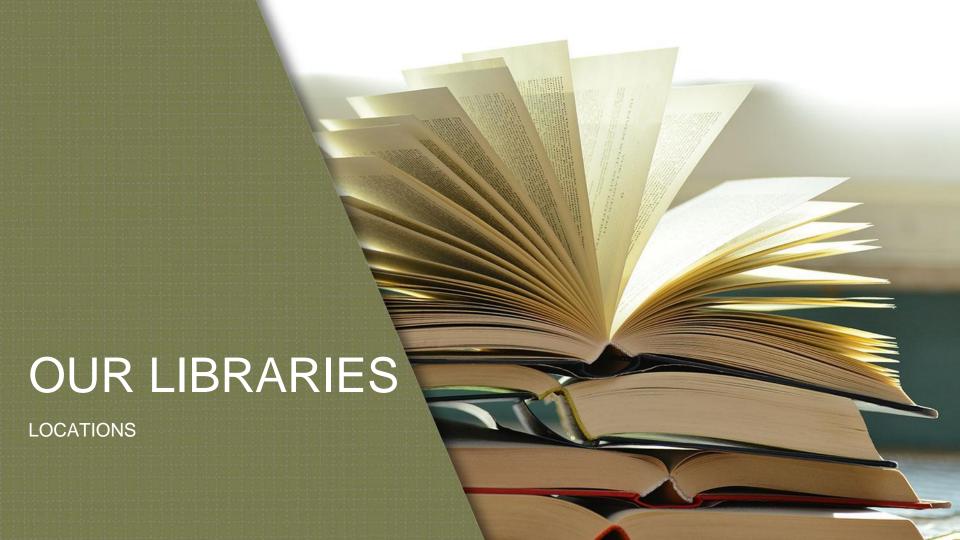

We also offer you trainings, individual study rooms and exhibitions.

Our friendly staff are here for you - both digitally and physically.

Opening hours

You can find the <u>opening hours</u> as well as the locations and contact details of the WUST libraries on our website.

Main Circulation Desk

Student library services:
our students can get access to many resources wherever they are working or studying.

In Main Circulation Desk students can **collect previously ordered printed books.**

Main Reading Room

Building D-21, room 103

Main Reading Room is a space right next to the Open Study Zone, **for quiet and comfortable study.**

Available resources:

- the most popular books and the latest journals, available directly in the Reading Room;
- other printed collections, which will be delivered within an hour after placing an order in the library catalog;
- the E-Reading Station, providing access to textbooks, doctoral dissertations, and scientific works of WUST.

Open Study Zone

Building D-21

Use open space to study

Security Gates in D-21:
please use your student ID and the link to register: **skd.pwr.edu.pl (on site)**

Open Study Zone

**INDIVIDUAL STUDY ROOMS
(1st and 2nd floor)**

To use an Individual Study Room, you must have an active library account and book a room in our [catalog](#).

USER REGISTRATION

On site and remotely

USER REGISTRATION

On site

- in person at the library;
- bring an Electronic Student Card.

Remotely   biblioteka.wyp@pwr.edu.pl

- send a scan of your Student Card and a scan of the filled and signed card application.

About Primo

[Primo](#) provides simple and simultaneous search of many information resources, incl. the content of library catalogs and electronic resources available in the Library.

Primo offers the following possibilities:

- localization and ordering of printed copies;
- requesting a scan of the materials available in the library;
- booking individual study rooms;
- library account management;
- linking to the full text of the document;
- saving and exporting collected data.

Order and collect your books

Log in and search for a book

- where (in which library) books are available;
- books available on site and for loan;

Place an order

- order through the catalog (Primo);
- order by email or phone*;

* only in selected libraries

Collect your book

- pick up the book at the library indicated in the order;
- books from open access collections*;

* only in selected libraries

e-Resources

databases, e-Books, e-Journals

e-Resources

VPN - off campus access

Supports most paid full-text services (e-books and e-journals) and databases.

Open access

Resources available to everyone.

WUST network

Access to electronic resources for registered users.

Access to digital versions of textbooks from the collections of the WUST Library (selected terminals in the Open Study Zone and Reading Room in building D-21).

e-Resources
VPN - off campus access

To use the VPN service, you must install the **Palo Alto GlobalProtect application**, which can be downloaded from the website vpn.student.pwr.edu.pl (for students and PhD students) by logging in with an Active Directory account.

- login Active Directory (without @pwr.edu.pl / @student.pwr.edu.pl)
- invidual password in AD system.
